DESSERTS

Fruit Ice Cream (Ice Cream = 1 part liquid to 3 part frozen)

½ cup of yoghurt or tofu (just enough to cover the blades works best)
2 - 3 cups of frozen fruit (mango/ banana/ strawberries/blueberries or any fruit desired)

Start the machine on high speed. You will need to use the tamper. Move the tamper up, down and around for approximately 30-45 seconds. Make sure the lid is in place before using the tamper.

Vanilla Sorbet

1 cup of cold water	1 small handful of cabbage (optional)
¼ of sugar	1-2 caps of Vanilla Essence
½ cup of powdered milk	3-4 cups of ice

Start the machine on high speed. You will need to use the tamper. Move the tamper up, down and around for approximately 30-45 seconds. Make sure the lid is in place before using the tamper.

Strawberry Sorbet

½ cup of cold water	1 small handful of cabbage (optional)
4 Strawberries with stem	½ cup of powdered milk
¼ of sugar	1-2 caps of Vanilla Essence
3-4 cups of ice	

Start the machine on high speed. You will need to use the tamper. Move the tamper up, down and around for approximately 30-45 seconds. Make sure the lid is in place before using the tamper.

Orange or Jaffa Sorbet

1 large orange (peeled)	1 good squeeze of chocolate sauce (optional)
¼ cup of sugar or honey to sweeten	4 bars of kit kat (optional)
¼ cup of powdered milk (optional)	1 small handful of cabbage (optional)
About 3-4 cups of ice	1 small piece of carrot (optional)

Start the machine on high speed. You will need to use the tamper. Move the tamper up, down and around for approximately 30-45 seconds. Make sure the lid is in place before using the tamper.

Green Apple Pie Sorbet

1 Green Apple (quartered with seeds, stem, peel)	1 teaspoon of cinnamon
1 Handful of Baby Spinach	1 small handful of cabbage
¼ cup of powdered milk	¼ cup of sugar
About 3-4 cups of ice cubes	

- Start the machine on high speed. You will need to use the tamper. Move the tamper up, down and around for approximately 30-45 seconds. Make sure the lid is in place before using the tamper.

Lemon Sorbet

1 cup of water	½ a cup of sugar
1 lemon (or lime) peeled and seeds removed	About 3-4 cups of ice

- Start the machine on high speed. You will need to use the tamper. Move the tamper up, down and around for approximately 30-45 seconds. Make sure the lid is in place before using the tamper.
